INSTRUCTIONS FOR APPOINTED CHECKER AND ELIGIBILITY

1. After you have checked each participant's Preparticipation Examination Form for accuracy of information and valid signatures, sign, and complete the requested information. The Attestation is part of the Eligibility Document, located at the bottom of the Eligibility Roster.
2. When ALL of the participants on the Eligibility List are in compliance, mail or bring your roster to the CYO Athletic Office by the Roster Due Date of the Sport. Do Not send partial CYO Athletic Eligibility Lists. Wait until all participants are in compliance. However, if the Eligibility List is not in compliance and in the CYO Athletic office one (1) day prior to the opening contest, a forfeit will be recorded and continue to be recorded until the parish team is in compliance.
3. If you need to add players, you must complete a revised roster containing the names of the participants and send it to the CYO Athletic office. We will no longer accept phone-in added players. We will accept Faxed copies. On the Amended Roster write the word "REVISED" and the DATE.
