

Dear Valued Community Member,

My name is Eric Sikora, and I am the Principal of Saint Rita School. For the past five years, Saint Rita School has been part of a Cleveland diocesan-wide initiative called #weGiveCatholic. This initiative raises awareness for hundreds of schools and non-profits in the Cleveland community, and inspires generosity and support for these organizations. It culminates with the annual day of giving on Tuesday, November 30.

This year, I am thrilled to announce Saint Rita School's plans for a new S.T.E.M. Lab! To make this happen, we have set a goal of \$75,000. We are excited to partner with community sponsors and companies to help our school build this lab. Every dollar we raise will fund curriculum, furniture, and supplies for this new space. This lab will be designed to meet the needs of all students in grades K-8, and will offer students a unique, extended educational experience to promote collaboration and exploratory learning.

Attached to this letter are sponsorship opportunities, and I invite you to join other neighboring companies to consider sponsoring our campaign and help us achieve our \$75,000 goal. To secure a sponsorship, you may either:

- Complete the attached form and mail it with a check made payable to Saint Rita School c/o Faith Kirtley, 33200 Baldwin Rd, Solon, OH 44139
- Scan the QR code below and make a donation online via PayPal

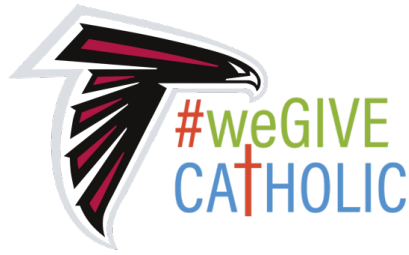

For the past 70 years, Saint Rita School has been providing exceptional Catholic education to thousands of families. With the help of community members like yourself, we will be able to continue educating the whole child and preparing our students faithfully and academically to be Christian disciples.

Our students are very excited about our plans for the new S.T.E.M Lab, and we are grateful for your consideration to join us in support. If you have any questions about this campaign, please call or email me. My contact information is below.

Kind regards,

Eric Sikora
